# classroom news

miss cotner's first grade class

Week of August 15<sup>th</sup> - 19<sup>th</sup>

## a peek at our week...

our schedule will be changing a bit this week due to the help of Ms. Storms, who is here to assist first grade in core reading and math. starting Monday, our new lunch time is 12:30-1:00. If possible, please pack your child an extra snack the next few weeks to help our bellies transition to the later lunch.

You will notice Daily Math Review papers coming home with your child. Thanks for going over these with your sweetie each day to help retention of these concepts. We will be starting math home practice this week which includes math fact practice nightly as well as math focus activities of numbers 1-40. Next week we will be adding wordy study home practice. Keep practicing those kindergarten sight words! Our test will be this Friday. Please feel free to contact me if you have any questions!

love, MS. cotner

## mark your calendar...

Aug. 19 - Math Home Practice and Reading Log Due
