A Note From Ms. Riggs

This week we started filling in our Classroom Reflection sheets at the end of the day. This is just another tool for communication. On the bottom of the sheet, you will find a place for you to sign and return.

First Grade Experts

At the beginning of the year, I introduced the "First Grade Experts" to our class. We brainstormed ways we could be like **Responsible Ryan, Ready to Learn Robert, Respectful Rachel, and Really Safe Rita**. In their folder, you will find a certificate congratulating them on their membership to the "First Grade Expert Club." We have been rocking it out so far this year with the routines and rules. They really are becoming First Grade Experts!

Math Home Practice

We are adding math to our home practice next week! This will need to be signed and **returned next Friday, August 18th**. Please read over the activities and choose two to complete with your child. We are also starting our **math fact practice with +1 – practice those every night**. Thank you for all that you do at home!
