## Upcoming Events

Cougar weekly is going green! Be sure to fill out the sheet you received at Open House to get it emailed to you!

School events will be updated in this space.

## Our Learning

The first two days of school consist of routines, procedures, and getting to know you activities.

We have gone over classroom expectations and rules, but this will definitely carry into the next couple weeks. I can already tell that this is going to be the best year yet!

## Home-School Connection

Please sign up for our Remind account – Ms. Riggs' First Grade.

## Sight Words

## Reminders

Please wear tennis shoes for P. E. on Monday.

Don't forget to pack a healthy snack with your student.

## A Note From Ms. Riggs

Each week your child will have a newsletter from me that I will add on our first grade website. I send a hard copy since I know it is helpful to have these things right in front of us sometimes, but I will put a link on the website in case you need to access it away from home.

## Open House Round Up

Thank you to those of you who have already taken the time to fill out Open House information. I tried to make it as simple as possible, but I know that it can be overwhelming. I will be looking for the **student information sheet** in the next couple of days along with a signed copy of our **behavior policy**, **home practice policy**, and **permission to photograph**. Thank you again for filling those out. It helps me to be the best teacher for your student.

## How to Best Reach Me

I look forward to getting to know not only my students this year, but also my families. If you need anything from me, please do not hesitate to get in touch. Email will be the best way to reach me, but our day is long this year with a late lunch (12:30) and plan (1:35 – 2:15.) Normally I check my email before school, during plan, and after school. I will often check my email several more times in the evening. If you have anything urgent, please call the school. Thank you!
