Our Learning

This week we have been building our reading stamina and learning all about how to be a good reader! I introduced them to several first grade favorite books and authors. Our classroom library is now open and being used. They are excited about reading. I think it is so important to foster that love of reading in the classroom. I hope that you will be able to see it when you read with your child at home.

Reminders

Please wear tennis shoes for P. E. on Monday.

Don't forget to pack a healthy snack with your student.

A Note From Ms. Riggs

This week I am sending home our first (of many 😊) Scholastic Book orders. Scholastic does a great job of providing quality books at reasonable prices. It also helps our classroom library grow. Please take some time this weekend to look through the orders with your child. It will get them so excited about reading! **Orders Due by Friday, August 11th.**

You're the best!

Parents, thank you for taking the time to fill out the forms from Open House! This helps me be the best teacher for your student. You **ROCK!**

Reading Log

Next week starts our home practice for the year. I will be sending home a reading log with every student this Friday, August 4th. This will need to be signed and **returned next Friday, August 11th**. Please read with your child M-TH for at least **20 minutes** every night. This makes a huge impact on your child as a reader. If you need some books at home, please let me know. I'm more than happy to lend out from my classroom library. 😊 Happy Reading!
