A Note From Ms. Riggs

It has been a busy week! We hit the ground running after coming back from fall break. We are working on new concepts in every subject. We are comparing numbers and using symbols in math. We are learning about nonfiction texts and their text features in reading, and we are getting ready to dive into informational writing. This is a hard working bunch!

Parent Teacher Conferences

Information has been sent home concerning parent teacher conferences with your date and time. I'm looking forward to meeting with you.

Please sign up for our **Remind** account – Ms. Riggs' First Grade. 😊

PTO Family Connection

Please take the time to fill out the **PTO Family Connection** form at fkepto.com. This will let us have a full list on the student directory for any birthday invites or other events where you may want to include classmates. Once we reach a full class list, we will earn a **popsicle party**!
