weekly reflection.

Our Learning

- I know what to do during reader's workshop.
- I can pick a just-right book.
- I can read and write my word wall words quickly.
- I know what to do during writer's workshop.
- I can write about myself and my experiences.
- I can read and count numbers to 80.
- Math Facts: $+1/+2$

A Note From Ms. Riggs

Starting this week, First Grade will be sending home a **math practice sheet** for you to complete as part of the home practice packet. Please complete the problems on the **green** math practice sheet along with one other activity from the list. Send this back in with the rest of the home practice on **Friday**.

Thanks so much for all you do at home!

Math Test

This week your child took a Math CFA (Common Formative Assessment.) **We have permission to send the post-tests home to be reviewed, signed, and returned.** If your child made errors on the test, please continue to work on these skills at home, as they will be addressed again when we take the Quarterly CFA at the end of the quarter.

PTO Family Connection

Please take the time to fill out the PTO Family Connection form at fkepto.com. This will let us have a full list on the student directory for any birthday invites or other events where you may want to invite classmates. Once we reach a full class list, we will earn a popsicle party!
