weekly reflection.**

Our Learning

- I can retell stories.
- I can read and write my word wall words quickly.
- I can blend sounds together to read words.
- I can write about myself and my experiences.
- I can read and count numbers to 120.
- I can identify the number of tens and ones in a number.
- **Math Facts: -1 / -2**

Classroom Wish

Please consider donating a box of band-aids to the classroom. We have run out of our beginning of the year stock.
Thank you. 😊

A Note From Ms. Riggs

We are continuing to work on math facts. Thank you for reviewing these at home.

I learned about an app called Math Fact Master this week. It does cost \$0.99, but it would be a great way to change up your student's math fact practice! It has different modes, and gives progress reports on how your child is doing.

Wild West Coin Drive

Monday – pennies

Tuesday – Nickels

Wednesday – Dimes

Thursday – Quarters

Friday – Any Combination

PTO Family Connection

Please take the time to fill out the **PTO Family Connection** form at fkepto.com. This will let us have a full list on the student directory for any birthday invites or other events where you may want to invite classmates. Once we reach a full class list, we will earn a **popsicle party**!
